US companies continue to leave the Crimea, performing the sanctions imposed against the United States in the region.

Recall, December 19 issued a decree banning US President US companies directly or indirectly provide services on the territory of Crimea. In accordance with the decree of its activities on the peninsula has stopped the international payment systems [Visa and MasterCard](#) .

This week it became clear that roll up work in the Crimea and the company decided to Amway, which is engaged in the production and sale of personal care products, household chemicals, cosmetics, dietary supplements. To promote products, the company uses the technology of direct sales and network marketing multi-level system of compensation.

As one of the Crimean users of social network Facebook, the company Amway has sent his letter to the Crimean partners, which reported on by the US government imposed sanctions against the Crimea. In this regard, the company will cancel all orders placed in the Crimea registered partners in the period 30-31 December but not shipped to the recipient. From now on all Crimean partners Amway will not be able to place their orders, "including on the mainland territory of Ukraine."

"New registration distributors Crimean addresses (index) will not be accepted",

"We are fully aware that these restrictions will lead to major changes in your business abiding company, Amway must ensure full compliance with legislation," - emphasize Ltd. "Emvey Ukraine" continues to provide a full range of services to its partners and "on t
