**TIME TO KICK IT INTO GEAR!**

The 2009 Herbalife Extravaganza was **INCREDIBLE**, and here's how to capitalize on it and use it like a slingshot into 2010!

If you did not get to Extravaganza then YOU NEED to be in Cincinnati to gather up all the knowledge learned by those who were.

Number one mistake people make in their businesses is stop getting the information and the motivation after a major event. Those who do take advantage of the momentum Extravaganza creates grow faster! So whether you were there or not, it's critical you get to the November STS!

### First stop November STS

When: Saturday, November 7th - 10 am SHARP!!

Where: Kings Island Convention Center

Who: All Distributors

### Guest Speaker - International Executive President Team Member - Jack Gibson

#### **“Running my own business was my dream.”**

From the early age of 19, Jack Gibson knew his future was in running his own business. “I was a business marketing major in college,” he says. Then one day, Jack got a flyer from a student to attend an Herbalife presentation. “Once I saw the Marketing Plan and potential income, I knew Herbalife was right for me.”

#### **“It’s the only job I’ve had – and I love it.”**

“I didn’t realize I could have this type of opportunity with so little start-up – that was a huge draw,” he explains. “Looking back, it was the smartest move I’ve ever made.” In the beginning, Jack started by focusing on his customers’ results. “I got so many referrals, and it allowed me to reach Supervisor,” he says. “I also found the Weight Loss Challenge to be particularly effective for both retailing and recruiting.”

#### **“We have zero debt now!”**

Today, Jack and his wife Kara are enjoying the fruits of their labor. “Kara and I are amazed at the life we’ve built,” Jack says proudly. “We just bought our second home, had a baby and paid off all our debt – including our mortgages.” Jack sums up what the business has meant for him and his family. “We’re financially independent now – and it feels great!”\*
